Possible Questions

I'll try not to take any more time than necessary, but I need to discuss several important issues. But first do you prefer to be called Mike or Michael?  
Do most people call you Michael or Mike? What do you prefer?  
Do you know what this is all about?  
I'm here to resolve the ATM shortage that occurred last Saturday.  
I appreciate your taking the time to talk with me. I'm looking into the ATM audit discrepancy, and I hope you can help me out with this.  
So you'll know who you are talking with, let me show you some identification.  
I'm here to determine who's involved in taking the missing money.  
I'm here to investigate the embezzlement of over \$ 43,000 from your branch.  
I'd like to take a few minutes to get to know a little about you.
